

## COUNCIL POLICY MANUAL

### **DELETED POLICIES**

- 2.1.2 Bonded Indebtedness  
Dealt with bonded indebtedness related to annexations and is no longer needed since there are no islands to annex. (See also 3.3.2 below) (Update Project December 2005)
- 2.1.8 Operating Standards for Reverse Vending Machines  
Zoning Code definition of recycling centers includes reverse vending machines. See also Operating Standards for Recycling Centers which covers topic. (Update Project December 2005)
- 2.1.9 Preservation of Mature Landscaping  
Superseded by SMC Ch. 19.94 Tree Preservation (Update Project December 2005)
- 2.1.10 Definition of “Structurally Attached” as it Relates to Accessory Units  
Council adopted changes to the zoning code that address this. (Update Project December 2005)
- 2.3.2 Housing Mitigation Fees  
Repealed by Council direction, RTC 03-287 (8/19/03)
- 2.3.3 Below Market Rate Units – Size Differential Policy  
Deleted with revision to City Ordinance, RTC 03-031, 1/28/03.
- 2.3.4 Relocation Guidelines  
The California Relocation Assistance Act, Government Code §7260 et seq., governs what the City must do. (Update Project December 2005)
- 2.3.5 Condominium Conversion Guidelines  
Now found in SMC Ch. 19.70 Conversion of Rental Housing to Community Housing Projects. (Update Project December 2005)
- 2.3.7 Below Market Rate Units – In-Lieu Fee Policy  
Deleted with revision to City Ordinance, RTC 03-031; 1/28/03
- 2.3.11 Elevators in Multi-Family Residential Development  
This topic has been codified. (Update Project December 2005)
- 2.4.2 Artificial Bodies of Water/Design and Standards  
Topic is covered by SMC Ch. 16.44 Swimming Pools (Update Project December 2005)
- 2.4.3 Handicapped Access Law Exceptions  
This policy is out of compliance with current law. The State Building Code governs what the City must do to comply with accessibility requirements. (Update Project December 2005)
- 3.3.2 Sewer Services and Annexations in Island Areas  
The only remaining island area is Butcher’s Corners and this policy is not needed for that location. (Update Project December 2005)
- 3.4.2 Discharge of Process Water to Storm Drains/Flood Control Heads  
Superseded by SMC Ch. 12.60 Storm Water Management (Update Project December 2005)

## COUNCIL POLICY MANUAL
